COMPANY PROFILE

Founded in the year 1997, **H. P. Industries** is an **ISO 9001:2008 certified manufacturer, supplier and exporter** of **Brass Bathroom Accessories, Soap Dispenser, Brass Towel Rack, Towel Rod, Robe Hook**, and more. Tough & durable brass metal is used in the manufacturing of our products to attain global quality standard. To make our products faultless, we implement modern production techniques which strengthen their dimensional and designing accuracy. Further, our Brass Bathroom Accessories get immense appreciation from our clients owing to their **attractive look, smooth finish, corrosion resistance, high impact opposition**, and more.

Credit rated by ONICRA and SMERA, H. P. Industries has the business capability to Our entire business operation is run smoothly with the assistance of a full facility and well organized infrastructure. It includes a large manufacturing unit, equipped with technologically advanced machines, tool & equipment. These are fully capable of delivering unmatched quality products in bulk quantity, before the required time. We have a team of highly advanced, reliable and client-centric professionals who strive to expand the reach of our company and make it prosper. They collaborate with our clients to reliably take care of their requirements. Moreover, we follow ethical business practices to create a favorable environment for making deals with clients.

Our Infrastructure

We have a sophisticated and spacious infrastructure which is outfitted with the most advanced facilities to contribute in the hassle-free functioning of our business. It includes a production facility, installed with fit-for-purpose machines & equipment to deliver impeccable products. To orderly store finished products, we have established a uniform and categorical warehouse near our production facility. Our R & D wing is fully functional with its innovative equipment & tools and conducts result giving experiments about the quality enhancement of our products.

Offering best quality Brass Bathroom Accessories that have smooth finish, attractive look, high impact opposition, corrosion resistance, and more.
